

## Welcome to Calvary Christian Center!

Now that you have found a church home that is on the move, I want you to know that you are not here by accident, but by divine appointment. In the message translation in Jeremiah 29:11 God says, *“I know what I’m doing. I have it all planned out—plans to take care of you, not abandon you, plans to give you the future you hope for.”* God has a plan for your life—you were born to do something very specific, that only you can do! God connects people to churches on purpose so that he can bring forth their own unique vision within a united vision! Every member here at Calvary Christian Center has been drawn here by the God to be a piece of the puzzle to the bigger picture here at CCC.

As you venture on your journey to the Pathway to Connecting to Calvary Christian Center, I want to welcome you and let you know that through this Pathway you will understand the very purpose that you were placed here on this earth. I encourage you to pick up the torch and pursue your destiny like never before and I declare that you will never be the same again!!!!

*Drs. Philip and Brenda Goudeaux*
